\$5483.⁵⁵
Given Away...
and Still
counting!

It's only 6 months since we began our guest list, and already have almost 1000 members! We've been blown away by the positive response from so many of you to our newsletter and fun promotions, and so far we've given our members over \$5000 in bonuses... That doesn't count our current RED ENVELOPE promotion, which have a further \$3500 of prizes tucked inside... Make sure you redeem yours... WE'VE EXTENDED THE USE BY DATE ON THEM ALL UNTIL DECEMBER 23rd... So now even expired envelopes are valid again, and the biggest prizes have yet to be won!!! We have another fun way to save you money all lined up... using a Jig Saw of all things...but would REALLY like to see the big 'No Peeking' prizes go first...

JUST A SCRAP OF CLOTH..?

Last week, while cleaning the dining room after service, Taz found a very sad looking old hanky on the chair... He almost threw it out, it was such a decrepit looking thing, but in the end popped it behind the bar.., 'just in case'.

The next day, an older lady knocked on the door, almost in tears, wondering if we'd found her hanky, the hanky that has been handed down through three generations of family, mother to daughter... Taz reckoned it was the best hug he's had in ages!

**DOOM & GLOOM PREDICTIONS
PROVE UNFOUNDED, THANKS
TO HUGE LOCAL SUPPORT !!!**

Recently in one of the local papers the entire front page was devoted to how tough it is in the hospitality sector right now... Pardon? We are midway through what has been our busiest restaurant year ever, the winter was outstanding, the summer is shaping up just fine!

All we can put it down to is that AmiGos enjoys such amazing support from the local population... some 58% of our guests are Wanaka residents, & visit us on average once per month... some of you twice a week!

That doesn't mean it's easy though... like yourselves at home, the fuel & dairy price rises have certainly been felt here, but by following a strategy of rewarding YOU, our loyal regulars, with regular & substantial savings, while at the same time making changes to the menu to reflect current conditions... well AmiGos is moving from strength to strength, & we have just signed the lease for another 20 years!...all we can say really, is THANK YOU SO MUCH AMIGOS!, we couldn't do it without your support...
